

# Mechanical Design

*Internals for Oil Refineries', Gas and Chemical  
Industries' Separation Towers*

Raschig USA can supply the internals mechanical design based upon your process design – this includes AUTO-CAD drawings and installation instruction / assistance. Quick turn around of internals (distributors, support plates, etc.) is also available – possibly as fast as 2 weeks from drawing approval to delivery of goods.

For more information and design assistance, please contact us at:

IMPORTANT: The following supersedes Buyer's Documents. SELLER MAKES NO REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, INCLUDING OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. No statements herein are to be construed as inducements to infringe any relevant patent. Under no circumstances shall Seller be liable for incidental, consequential or indirect damages for alleged negligence, breach of warranty, strict liability, tort or contract arising in connection with the product(s). Buyer's sole remedy and Seller's sole liability for any claims shall be Buyer's purchase price. Data and results are based on controlled or lab work and must be confirmed by Buyer by testing for intended conditions of use. The product(s) has not been tested for, and is therefore not recommended for, uses for which prolonged contact with mucous membranes, abraded skin, or blood is intended; or for uses for which implantation within the human body is intended.
